APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli-
cation, and do hereby grant the same, subject to the following lim-
itations and conditions:

This permit is granted for the flood water of the source only.

No right of way is included in this grant as the state has no juris-
diction over such matters. The state reserves the right to regulate
the use of water at all times.

The amount of water to be appropriated shall be limited to the
amount which can be applied to beneficial use, and not to exceed
One & 6/10 cubic feet per second, or 480 acre feet per annum.

Actual construction work shall begin on or before June 15, 1915.

Proof of commencement of work shall be filed before July 15, 1915.

Work must be prosecuted with reasonable diligence and be completed
on or before September 15, 1915.

Application of water to beneficial use shall be made on or before
October 15, 1920. Proof of the application of water to beneficial
use must be filed with State Engineer on or before November 15, 1920.

Proof of labor filed JUN - 7 1915

WITNESS MY HAND AND SEAL this 18th day

Cancelled Nov 9 1915 because of failure of
applicant to comply with provisions of permit.

of January, 1915.

Seymour Case

W. W. Kearney

State Engineer

Time for completion of work is herewith extended to and including May
15th, 1916 and time for filing proof of such completion of work is
extended to and including June 15th, 1916

Dated, October 19, 1915.

W. W. Kearney
State Engineer.
